

Webinar #7:

# HODGKIN LYMPHOMA- THE PAST AND FUTURE OF SURVIVORSHIP

**17th May 2024 | 8:00PM – 9:30PM (GST +8 | Singapore Time)**

<b>Program Name:</b>	St. Jude-VIVA Survivorship Series 3 Webinar #10
<b>Event Date:</b>	Friday, 17th May 2024
<b>Event Time:</b>	8:00pm – 9:30pm (Singapore Time)

## Programme Synopsis

### Lecture Title:

#### **Hodgkin Lymphoma- The past and future of survivorship**

*Dr Sharon Castellino, Emory University*

Dr. Castellino will review the current knowledge on late health complications after treatment for Hodgkin lymphoma in children and adolescents. She will present evolving data in the treatment field and characterize the risk for late effects in case based discussions.

## Presenter Bio

**Dr Sharon Castellino**

**Professor of Pediatrics  
Emory University  
Director, Leukemia/Lymphoma Program  
The Aflac Cancer & Blood Disorders Center  
Children's Healthcare of Atlanta  
USA**

Dr. Castellino is Professor of Pediatrics and the Director of the Leukemia and Lymphoma Program at the Aflac Cancer and Blood Disorders Center in the Children's Healthcare of Atlanta. Her expertise is in analysis of outcomes and late effects in patients with hematologic malignancies and in leading clinical trials for pediatric Hodgkin Lymphoma. She is a member of the steering committee and the chair for the Children's Oncology Group (COG) Hodgkin Lymphoma committee. She has previously led analyses in survivorship of Hodgkin lymphoma patients.

## Organising Chair/Moderator

**Dr Melissa Hudson**

**Director, Cancer Survivorship Division  
Co-Leader, Cancer Control & Survivorship Program  
The Charles E. Williams Endowed Chair of Oncology-Cancer  
Survivorship  
St. Jude Children's Research Hospital  
USA**
